

LASHING STRAPS FOR LIGHTER LOADS

FASTY ALL-PACK

Our brightly coloured display case and rack which doesn't only store components, but also serves as a first-class sales aid. Here you can attractively and clearly display the various standard polypropylene straps in four different colours alongside the strong FASTY buckle.

The strap is designed for all occasions and lashing up to 400 kg. All blue, yellow and red straps are 20 mm wide. Black straps are 25 mm wide.

HT PP (high tenacity polypropylene) webbing material

High strenght

100 % recyclable

Dirt repellent

Automatic control of all buckles before sewing.

Big opening, easy to thread the strap - even with gloves on.

UV-resistant

High color resistance.

Stronger and lighter than casted zinc buckle.

Complies with the high standards of Reach, Rohs and Oeko-Tex.
